

6

Communicator Styles

S

SMOOTH OPERATOR

Goes with the flow.

Put their feelings aside to stay focused on getting the job done.

Can struggle to share their ideas or concerns, not wanting to "rock the boat"

O

ORATOR

The politician. The speech giver.

Gift is rallying others.

Embrace the power of words.

Can believe their own hype a little too much.

D

DEBATER

Loves a good debate.

Helps highlight different perspectives or plays devil's advocate.

Can get caught up in too much debating all angles of idea or argument vs. progress.

A

ANCHOR

Needs to chart a course before setting sail.

Need compelling reasons and a plan in order to handle a storm if it pops up.

Can be a little on the stubborn side.

F

FILIBUSTER

Loves to talk it out...a lot.

Filibusters come prepared.

Are passionate, but they can halt momentum and get stuck in discussion vs. decision.

I

INTERVIEWER

Loves to ask questions.

Know the **right** questions and the right pace.

Danger in asking too many questions, which can block progress.
